Subject: Local Multi-Jurisdictional Hazard Mitigation Planning (LMJHMP)

The second meeting of the LMJHMP Team is scheduled for November 10, 2004 in the Board of Supervisor's Meeting Room located at the Gila County Courthouse in Globe. If you were able to attend the Kick-Off meeting on October 15th, we appreciate your continued participation. If you were not able to be present, we are offering a short review of the planning process between 08:00-10:00. From 10:00am to 3:00pm we will continue the planning process with a workshop review of:

Historical Hazard Worksheets
CPRI (Calculated Priority Risk Index) Worksheets

As discussed previously, we are asking for as much historical information as possible and as your jurisdiction identifies as significant and valuable. The worksheets are attached to this email and can also be printed and faxed or mailed to you at your request. If you have questions on completing the worksheets prior to the meeting, you may contact this office, or the State Contractor:
